**100+ Women Who Care of Will County donate to Angels for Hospice.**

100+ Women Who Care of Will County donated \$6,150 to Angels for Hospice. Traci Miliauskas-Varak, RN, Angels Grace Hospice Administrator was presented the checks on June 2, 2022. Angels for Hospice brings comfort, dignity and peace to help people with a life-limiting illness live every moment of life to the fullest while providing support for loved ones. Our donation will help with arrangements, payments, and reimbursements to hospice families and patients in crisis. They believe that exceptional end-of-life care can only happen when highly trained, experienced professionals are dedicated to listening to patients and their families, focused on respecting their ideas, and committed to making a difference. "Traci Miliauskas-Varak stated "with this funding we can change the quality of life - at the end of life."

100+ WWC is a philanthropic group formed for local women who are interested in supporting their communities by contributing to Will County charities together as a group to increase the donation impact. Member Kimberly Mills says "It's great to be with other philanthropic like-minded women. It's fascinating to learn about interesting local nonprofits. And it's a privilege to be able to help them succeed."

100+ Women Who Care of Will County is designed to make an immediate and positive impact on the lives of our community. At each of the quarterly meetings 100+ WWC members nominate charities, three are chosen at random, and after a brief presentation, the members vote on which charity to support. Once the winning charity is announced, everyone writes a \$100 check, on the spot directly to that charity. Teams of 2 or 4 are welcome to join. All charities nominated must be located in, and serve, Will County and must have 501(c)(3) non-profit status. 100+ Women of Will County of Will County has raised over \$127,800 for local charities.
